

What measures have we put in place due to Covid-19?

We have worked hard to make sure our trips are as fun and safe as possible.

- Additional cleaning will take place before and after use of the Learning Centre.
- The museum has implemented a clearly sign posted one way system around the museum.
- We have hand sanitiser stations available throughout the museum.
- Museum Staff and volunteers will endeavour to keep a 2 metre distance from visiting pupils and school staff.
- All museum staff will be clearly identifiable and will wear visors or masks in public spaces.
- Other visitors will be allowed in but their numbers will be reduced on school visit days.
- Object handling and dressing up activities have been temporarily removed from our programme and from our museum floor.
- Any shared items will be cleaned between bubble groups.
- Visiting schools will have their own designated toilet block during their visit.
- Pocket money bags can be ordered at an extra charge of £2.00 per child.
- Will be regularly re-assessing are procedures inline with government guidelines

Please do not hesitate to contact us for more information.
