

Camping

The Army Flying Museum offers camping for groups but not individuals.

The Museum holds an extensive collection charting over 100 years of the British Army in the air. With over 35 fixed wing and rotary aircraft on display, the Museum is the perfect place to explore the fascinating history of army aviation for any age group.

Please be aware that there is no electrical hook up at the Army Flying Museum, however there is a freshwater tap and grey water disposal. Any flags that are erected must not be taller than a caravan/motorhome due to low flying aircraft. Drones are not permitted. Fires are not permitted, although BBQ's are allowed if raised off the grass..

There is a £16 camping charge per unit per night. Please note, you will be invoiced after your event. A special admission rate of £10 per adult, £5 per child, will be charged per visit to the museum. Tickets can be upgraded to an annual pass for a small additional fee. Entry to the Museum can be arranged in advance, or alternatively you can pay on

We have guided tours of the Museum available, for booking in advance. These are roughly 2 hours long with our knowledgeable guides (shorter tours are available on request). The maximum number of people who can be accommodated with one tour guide is 12 people. Please be aware that if your group has more than 12 members, you will require additional guides. There is a cost of £30 per guide. Please let us know in advance if you require a guide .

Camping Booking Form

Please complete your form and return it to corporate@armyflying.com, or Heather Whittam, Army Flying Museum, Middle Wallop, SO20 8FB. A confirmation will then be sent to you via email to verify your visit and any requirements.
