

# Squadron flags: signs and symbols!

**ARMY  
FLYING  
MUSEUM**

Create your own Army Air Corps squadron badge using the outline above. Use your imagination to create your own badge with its own signs and symbols. Why not come up with a motto to put on the scroll beneath the badge. These badges will go on display at the Army Flying Museum when we reopen to the public.

Email your completed badge to: [outreach@armyflying.com](mailto:outreach@armyflying.com)
